3.1.5 Air Navigation Services Section may, in approving such flights, assign a **Flight Clearance Number (FCN)** which should be quoted by the operator / flight crew as and when necessary.

3.1.6 Director General of Civil Aviation may impose such conditions as he considers desirable in respect of the carriage of passengers and cargo to and from Sri Lanka. Such conditions (if any) may be specified in the Flight Clearance at the time of notifications to the operator.

3.1.7 Carriage of cargo by air is liberalized in Sri Lanka and therefore there is no restriction with regard to the operation of cargo flight to/from Sri Lanka subject to observance of provisions detailed in the clearance message.

3.1.8 The applications for the operation of a non-scheduled flight/private flight into/over Sri Lanka should be according to the **Format of the Application for a Non-Scheduled flight /Private flight into/over Sri Lanka** given in the AIP page **GEN 1.2-5**. The applications should be directed preferably through AFS to the addresses VCCCYAYX,VCCCFICX and VCCCZQZX. (Ref also para 3.1.16 below for contact information).

3.1.9 All Non-scheduled Charter flight operators requesting approval to land at an International airport in Sri Lanka shall submit their applications to the VCCCYAYX in the format given in AIP Page **GEN1.2-5** and simultaneous application shall be forwarded to the SLOT Committee to obtain landing SLOT Clearance. Allocation of a SLOT will be done only after the approval to land at such airport is issued by the DGCA Sri Lanka with a copy to the SLOT Committee for necessary follow up action.

3.1.10 Flight clearance or Re-clearance once granted remains valid for 48 hours from the time of intended operations. If the actual operations delayed beyond 48 hours, Re-clearance should be obtained afresh.

3.1.11 Re-clearance request shall quote the Flight Clearance Number (if available) and send according to the format given in the page GEN 1.2-5.

3.1.12 A Flight that is re-cleared, will be issued with a **Re-clearance number**, which shall be quoted as and when necessary.

3.1.13 Delayed Operations that fall within 02 days of planned operation or cancellation should be notified forthwith to VCCCYAYX,VCCCFICX and VCCCZQZX.

3.1.14 In order to facilitate proper and efficient flight identification process at the ATS Units, all Non-scheduled / Private operators are required to quote the **Flight Clearance Number (FCN)** { or the **Re-Clearance Number issued as per paras 3.1.5 and 3.1.12 above**} in the field 18 of the Flight Plan filed.

3.1.15 Pilot-in-command is required to hold the Flight Clearance Number or the Re-clearance Number on board and quote the same when required by the ATC.
